

Story Prompts

Story Prompts

Choose one item from each column and stick it on the story board.

WHO + **WHAT** + **WHY NOT** = a fun story

Example:

WHO?

A giant crocodile

WHAT?

wants to run away and join the circus

WHY NOT?

but is scared of heights.

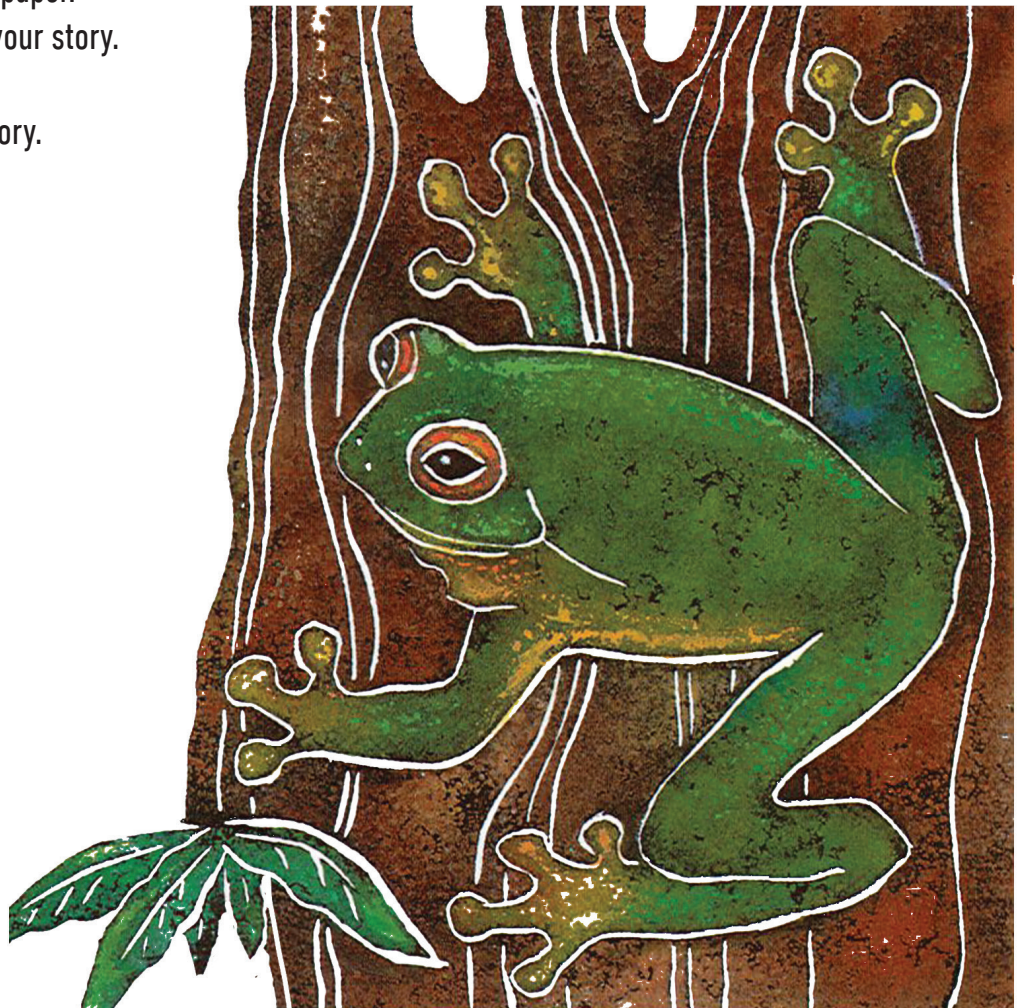

How will you share your story?

You could write your story down on paper.

You could draw the pictures to tell your story.

You could act out your story.

You could tell someone else your story.

Story Prompts

To start a story, choose one item from each column and stick it on the story board.

Then add it to the Storytelling formula: WHO wants WHAT but WHY NOT = a fun story

Example:

A giant crocodile wants to run away and join the circus but is scared of heights.

Draw your story - Write your story - Act your story - Tell your story
